

WESTFIELD ATHLETICS FALL 2020 GAMEDAY SAFETY PROTOCOLS

The Westfield School is committed to providing a safe and exciting game day experience for all students, faculty, parents, and visitors. In keeping with local and state health official recommendations, we are asking that you acknowledge and abide by safety guidelines while attending events on our campus.

Spectator Guidelines: At this time, there will be no limitations on the number of spectators. However, we do ask that be aware of the following:

- Spectators are encouraged to sit or stand 6 feet from other spectators. When possible, please sit close as a family unit. Spectators may also bring chairs and sit on the track except directly behind team benches.
- Masks are required for all spectators.
- Concessions will be open with a limited menu. Spectators are encouraged to keep social distance when standing in line.
- Restrooms will be open and disinfected throughout the contests. Please limit the number of people in at one time as to maintain spacing.
- Spectators will not be allowed on the fields or courts before, during or after the contest.
- Children in middle school and younger must sit with/be under direct supervision of an adult.
- Digital tickets for football games can be purchased via GoFan. (<https://gofan.co/app/school/GA19163>) Westfield will send each school a link for spectators to use the cashless option. A cash only gate will be open. Westfield season pass holders and Westfield students do not have to purchase tickets.

Player and Coaches Guidelines:

- Sidelines, benches, and dugouts are limited to game personnel and players only.
- The number of people in the press box will be limited to essential personnel only.
- Teams are expected to follow guidelines provided by the GISA/GHSA.

Spectators at all Westfield athletic events assume all risks associated with attendance including potential exposure to Covid-19.

Under Georgia law, there is no liability for an injury or death of an individual entering these premises if such injury or death results from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.
