COMMUNITY SERVICE TRACKING FORM

Name _____

Period _____

For this recognition, community service is defined as volunteer activities that have a significant impact in meeting the needs of the communities and that allow young people to help others by sharing their time and talents. Community Service is something that is done with no expectation of getting anything in return. For completion of the tracking form, please note the number of the activity type listed below. Hours will be indicated by giving hours volunteered for each activity. Ex. 5 hours or 3 ½ hours. **Signatures should be by supervisor of the activity.**

Date	Activity	Type	Classroom	Hours	Signature of Teacher
